The Helmsman Selling & Buying System

1. Prospective buyers are asked to register their Trading details (Name & Address) & Property Identification code (PIC number) with Agent prior to the commencement of the sale. Upon registrations they will be given a buyer number.
2. The Rams for sale will be on display by lot number as usual.
3. The Helmsman sale board will be located close to the sale rams. Sale lot numbers will be listed down & across the boards with a column for the Buyer and bid value (Upset price).
Buyers may open the bidding on any LOT at the upset price and contest bids in multiples of \$50-\$100.
4. All Rams will be for sale simultaneously and will remain on display for ongoing inspections of the rams during the sale.
5. To submit a bid, buyers will need to fill in a Helmsman Bid Card which will be passed to the Board Manager, who will record the bid as received and pass the bid card onto the Board scribe who will record the bid by entering the buyer number & bid value in the appropriate lot column on the sale board. Buyers considering the purchase of a number of rams can bid on as many sheep as they wish all at the same time.
6. Bid movements on the “Sale Board” will be announced by the Sale Presenter so that the buyers will be kept informed at all times. Each bid must be genuine and may not be retracted once placed on the board until outbid by another contender.
7. The sale time starts with a 20 minute main time period, which will then convert to a 2 minute clock, which if in that 2 minute time period any bid will extend the selling time to a further 2 minutes, taken from the moment the bid is placed.

The ‘SALE’ will be closed by the Sale Presenter when there is no further bid in that 2 minute time period, all bids will be final and record the buyers purchases; to be confirmed by the purchaser at the Registration/Settling Office.
